25X1

Mr. Dulles:

a. Noted a cable respecting the status of [REDACTED]
[REDACTED] (IN 44456) and after some discussion approved DD/P's
recommendation that [REDACTED] be returned to Headquarters.

25X1

b. Referred to Cable IN 44527 and noted the project
referred to therein appeared to be progressing satisfactorily;
however, he did not wish to "build it up too far".

c. Referred to Cable IN 44362 and stated he would hesitate
to use the former Ambassador mentioned therein at the present
time.

d. Referred to a cable from the Senior Representative,
[REDACTED] (IN 44348) respecting unconventional warfare in
IndoChina, and noting that the situation was likely to remain
confused for the next five or six months, directed that we
continue to press [REDACTED] for approval to conduct such
operations in this area.

e. Referred to Secretary Wilson's and General Twining's
forthcoming trip to the Far East and noted his intention of
probably briefing General Twining, and the Secretary if
necessary, on CAT.

25X1

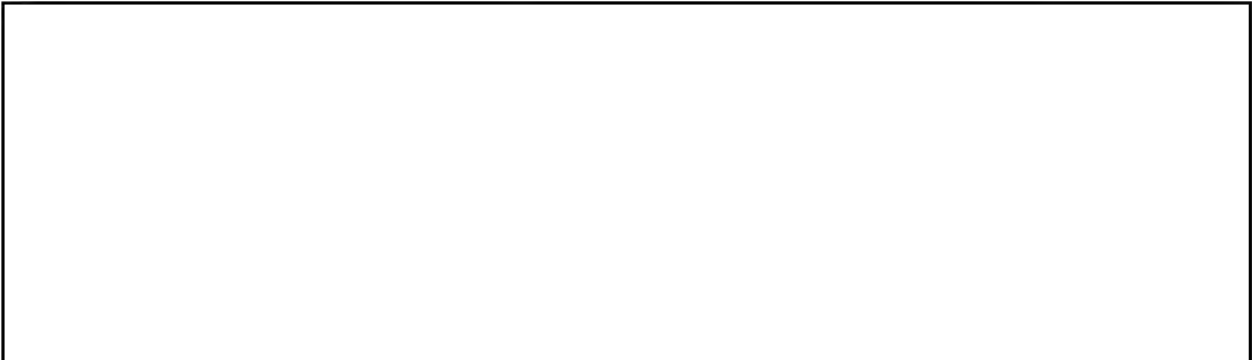

g. Noted that Ambassador Nelson Johnson had reviewed the
[REDACTED] and had prepared a memorandum of his findings
